Jesus did not "come back to life" the way people sometimes do even though their heart had stopped. If Jesus had "come back to life," he would have had the same kind of life as before. He would have grown older, and finally died again.

Instead, Jesus **ROSE FROM THE DEAD**. God gave him a new and different kind of life. His body was a **RISEN BODY**. It could do more things than a regular human body. And it will never, never die again!

Jesus's friends could tell that he was different. Now they had to learn to know and love him in a new way!
